Blood Red

Refused

(I'll remain)
(I'll remain)
(I'll remain)
(I'll remain)
I'll remain with blood on my hands

Red is the heart that beats
Blood for the end of our slavery
Rise, let action speak
Dreams are not gonna set us free

I can see that level field
Won't stop till it's soaked

Blood red, blood red
Ntil I'm fucking dead
Blood red, blood red
I'll remain with blood on my hands

Time for some militance
The fight will come down to us and them
Joined we could represent
The last gasp of the one-percent

I can see that level field
Won't start till they lie

Blood red, blood red
Until I'm fucking dead
Blood red, blood red, blood red, yeah!

And if I fall, you'll help me up
If you feel weak, we're strong enough
We're strong enough

From each according to ability
To each according to need
From each according to ability
To each according to need
From each according to ability
To each according to need
From each according to ability

Blood red!

Blood red until I'm fucking dead
Blood red until I'm fucking dead, blood red until the end
Blood red (Until the end)
Blood red until I'm fucking dead, blood red until the end
Blood red (Until the end)

I'll remain with blood on my hands!
