

## TV Freak

Refused

What the hell is wrong with me.  
I try to see what I'm not able to see.  
I try to be what I'm not supposed to be.  
I've tried everythin' but nothing works for me.  
I guess I'd better stick to my TV.  
Its the only thing that makes me feel free.  
I can change the channels whenever that I please.  
I've got a cable to fulfill my precious needs.  
I'm a failure to this world and I'm week.  
I'm a geek, a TV freak.  
The way I find the pleasure that I seek is when I watch TV and  
when I'm a sleep.  
One program more while this whole worlds gets sour and I get to  
watch it on a screen  
I'm a geek, geek.
