

## Love Reality

Reggie and the Full Effect

Girl (girl), I want to know your name  
Girl (girl), I want to ride your plane  
Girl (girl), I play all your sexy games  
And girl (girl), I hope you do the same

Almost thought we should go home together  
It's a love reality to buy yourself a cash money girl  
It's a love reality  
It's a love reality  
It's a love reality to buy yourself a cash money girl

Girl (girl), I want to spread your wings and fly  
Girl (girl), I want to get inside you and die  
Girl (girl), You look so fucking good tonight  
Girl (girl), You look so fucking good tonight... again

It's a love reality  
It's a love reality
