

Reggie and the Full Effect

Stains... are problems that I never thought about
I knew I left out something (something, something, something)
Pain... is what you'll learn to enjoy
We need pain
To get the pleasure, baby (baby, baby, baby)
But the stains...
Can't wash away these stains
Can't wash away

I see the lighter
You see desire
In the flames
Let's burn it down
I watch through the window
I didn't think you'd go through with this, baby

Run... why do you always stay to see?
If anyone was trapped in here besides me ('sides me, 'sides me, 'sides me)
Oh, that smile...
I always love to see you smile
Anything to make sure that you're happy (happy), sweetie (sweetie)
But the stains...
Can't wash away the stains
Can't wash away

I see the lighter
You see desire
In the flames
Let's burn it down
I watch through the window
I didn't think you'd go through with this, baby

This is the part of you I hate
This is the part of you I hate
This is the part of you I hate
You'd better fucking rescue me

Stains...
Can't wash away the stains
Can't wash away

I see the lighter
You see desire
In the flames
Let's burn it down
I watch through the window
I didn't think you'd go through with this, baby

I see the lighter
You see desire
In the flames
Let's burn it down
I watch through the window
I didn't think you'd go through with this, baby
Baby...
