

We Make A Breakfast

Reggie and the Full Effect

Wake up, Frank!

Oh... James?

Good morning, Frank!

Hi, James. What are you doing here?

Oh, I came here to show you something. We're gonna make something.

What is that? What're you making?

We make breakfast!
Yeah!

Well I got bacon, you got eggs
Together we make breakfast
I got bacon, you got eggs
Together we make breakfast

Well I know what I used to say
Lunch is the best time all day
