

Please Be Mine

Regina Belle

If you would just be mine
We'd concentrate on a love so strong, yeah
And if you'd just be mine
We would create a love that lasts so long

Please be mine
Baby, please be mine
Please be mine
Baby, please be mine
Be mine
Baby, please be mine
Be mine
Baby, please be mine

Say you'll belong to me forever
'Cause, baby, I am yours, yeah
Although my love is waiting
Open up, open up your door

Be mine
Baby, please be mine
Please be mine
Baby, please be mine
Be mine
Baby, please be mine
Please be mine
Baby, please be mine

I just want to say I love you, yeah
She just wants you for a while, yeah
If you would only just open up your heart
Find the one who loves you
I'm the one you need

Be mine
Baby, please be mine
Please be mine
Baby, please be mine
Please be mine
Baby, please be mine
Please be mine
Baby, please be mine

Ooh, I want you to be mine
Please be mine
Baby, please be mine
If you would always concentrate, boy
We could share love together
Baby, please be mine

She's got plenty of other men
Baby, can't you understand
Heaven sent me for you
I'm the one who loves you
Baby, please be mine
Baby, please be mine
Baby, please be mine

Ooh, you've got to be mine
Boy, I'd do anything...
