

Fidelity

Regina Spektor

C **F**
I never loved nobody fully
C **F**
Always one foot on the ground
F **B**
And by protecting my heart truly
Dm **C**
I got lost in the sounds
F **B**
I hear in my mind all these voices
Dm **C**
I hear in my mind all these words
F **B**
I hear in my mind all this music
Dm
And it breaks my heart
C
And it breaks my heart
F C
And it breaks my heart
F B C
It breaks my heart

And suppose I never met you
Suppose we never fell in love
Suppose I never ever let you kiss me
so sweet and so soft
Suppose I never ever saw you
Suppose we never ever called
Suppose I kept on singing love songs

just to break
my own fall
Just to break my fall
Just to break my fall

F
Break my fall
B C
Break my fall
Dm
All my friends say that of course its
G
gonna get better, gonna get better
C B
Better better better better
C F
Better better better

I never love nobody fully
Always one foot on the ground
And by protecting by heart truly
I got lost in the sounds
I hear in my mind all these voices
I hear in my mind all these words
I hear in my mind all this music
