

Oh Marcello

Regina Spektor

Oh, Marcello
How I wonder
La Madonna she tell the truth, no?
She's been saying I'll have a baby
When he grow up he become a killer

I'm just a soul whose intentions are good
Oh lord please don't let me be misunderstood
Understood?

Oh, Marcello
Never thought I'd really love you but I do so
My headwaiter's head on your platter
Just say the word and so I'll make him kiss my gutters

I'm just a soul whose intentions are good
Oh lord please don't let me be misunderstood

Una mille, una mille, una mille, una mille
