

## Poor Little Rich Boy

Regina Spektor

Poor little rich boy, all the couples have gone  
You wish that they hadn't, you don't wanna be alone  
But they wanna kiss and they got homes of their own  
Poor little rich boy all the couples have gone, they've gone, t  
hey've gone

And you don't love your girlfriend  
You don't love your girlfriend  
And you think that you should but she thinks that she's fat  
But she isn't but you don't love her anyway  
And you don't love your mother  
And you know that you should  
And you wish that you would  
But you don't anyway

Poor little rich boy, all the world is okay  
The water runs off your skin and down into the drain  
You're reading Fitzgerald, you're reading Hemmingway  
They're both super smart and drinking in the caf@s

And you don't love your girlfriend  
You don't love your girlfriend  
And you think that you should but she thinks that she's fat  
But she isn't but you don't love her anyway  
And you don't love your mother  
And you know that you should  
And you wish that you would  
But you don't anyway

You're so young, you're so goddamn young  
You're so young, you're so goddamn young  
You're so young, you're so goddamn young  
You're so goddamn young  
You're so goddamn young  
You're so young, you're so goddamn young  
You're so young, you're so goddamn young  
You're so goddamn young

And you don't love your girlfriend (4x)
