

# The Call

Regina Spektor

**A** **E**  
It started out as a feeling  
**F#m** **D**  
Which then grew into a hope  
**A** **E**  
Which then turned into a quiet thought  
**F#m** **D**  
Which then turned into a quiet word  
**E** **E/Ab**  
And then that word grew louder and louder  
**A** **E** **F#m**  
'Til it was a battle cry  
**F#m** **E** **D**  
I'll come back  
**E** **A**  
When you call me  
**Fm#** **E**  
No need to say goodbye

Just because everything's changing  
Doesn't mean it's never been this way before  
All you can do is try to know who your friends are  
As you head off to the war  
Pick a star on the dark horizon  
And follow the light  
You'll come back  
When it's over **D**  
No need to say goodbye  
**E** **D**  
You'll come back  
**E** **A**  
When it's over

**Fm#** **E** **D** **Hmi G A / D Hmi G A / D Hmi G A**  
No need to say goodbye  
Now we're back to the beginning  
It's just a feeling and no one knows yet  
But just because they can't feel it too  
Doesn't mean that you have to forget  
Let your memories grow stronger and stronger  
'Til they're before your eyes  
You'll come back  
When they call you  
No need to say goodbye  
You'll come back  
When they call you  
No need to say goodbye
