

# Us

Regina Spektor

They made a statue of us  
And it put it on a mountain top  
Now tourists come and stare at us  
Blow bubbles with their gum  
Take photographs have fun, have fun

They'll name a city after us  
And later say it's all our fault  
Then they'll give us a talking to  
Then they'll give us a talking to  
Because they've got years of experience  
We're living in a den of thieves  
Rummaging for answers in the pages  
We're living in a den of thieves  
And it's contagious  
And it's contagious  
And it's contagious  
And it's contagious

We wear our scarves just like a noose  
But not 'cause we want eternal sleep  
And though our parts are slightly used  
New ones are slave labor you can keep

We're living in a den of thieves  
Rummaging for answers in the pages  
We're living in a den of thieves  
And it's contagious  
And it's contagious  
And it's contagious  
And it's contagious

They made a statue of us  
They made a statue of us  
The tourists come and stare at us  
The sculptor's marble sends regards  
They made a statue of us  
They made a statue of us  
Our noses have begun to rust  
We're living in a den of thieves  
Rummaging for answers in the pages  
Were living in a den of thieves

And it's contagious  
And it's contagious  
And it's contagious  
And it's contagious  
And it's contagious  
And it's contagious  
And it's contagious  
And it's contagious
