

Decisions

Rehab

It's so hard to make decisions
In the world that we live in
We're just lookin' for religion
Through the windows of the sin

Is it somethin' in the water
Is it somethin' in the air
Is there somethin' I should know about
Does anybody care

'Cause I ain't never did the firin'
I was the one gettin' fired
And I ain't never did the hirin'
I just hoped that I got hired

Well life I chose there's no retirement
And there's no job security
It feels like everybody's liein'
In the land of the free

It's so hard to make decisions
In the world that we live in
We're just lookin' for forgiveness
Through the windows of the sin

Is it somethin' in the water
Is it somethin' in the air
Is there somethin' I should know about
Does anybody care

I'm in debt up to my eyeballs
I'm a full-blown american
And I don't always pay on time
But I do the best I can

It's so damn hard to make a living
In the world in which we live
Is there anyone that can show me
A better way, a better way

It's so hard to make decisions
In the world that we live in
We're just lookin' for religion
Through the windows of the sin

Is it somethin' in the water
Is it somethin' in the air
Is there somethin' I should know about
Does anybody care
