

Jimmy every other day you know my mother's been ragging on me  
You know Jesus Mary and Joseph you've tried every other way  
Go to church put yourself in Christ hands, so I do man I figure  
Give it a shot, I dig Jesus so I go man high mass a choir and  
Everything. The first thing I see on the right the side alter  
Are those little candles in the glass in the red glass we used  
To use when it was windy up in the park to cook up and then thi  
s  
Alter boy is coming down the aisle with this six foot candle an  
d  
I vision this huge spoon above it man with like shopping bags fu  
ll of  
Dope inside of it and then the kicker comes man the preist star  
ts  
Doing his thing with the incense you know starts wafting out  
I'm in the back it finally hits me where do I know this smell  
From man? I don't know man its the smell exactly of really  
Premo dope cooking up

Yeah?

Exactly the same

So what happened next?

At that point I split, I went home, I went inside to closet got  
My stash out of the inside pocket of my shark skin Easter suit  
And... I... got stoned. Ba bing... ba bang. I love the ritual
