

How to Lose Yourself

Rehasher

Calling for an even number
I need some reality
Looking for some sanity

Paved the way and I didn't wonder
Whatever more could ever be
What adventure I might see
If I gave the best of me

It's not so hard to understand
No one wants to feel they don't live
Up to their own standards

It happens time and time again
I get this feeling like I won't quite
Have the final answers
Time and time again
Time and time again

Looking for a level surface
Somewhere I can be me
Take me back to my old street

I'll pretend I'm starting over
Find a way to plant my feet
And then chase down all my dreams
And just give the best of me

In the spotlight I'll confess
Yeah, I'm just like you and don't live
Up to my own standards

Here it comes around again
I get this feeling like I won't quite
Have the final answers
Time and time again

In the spotlight I'll confess
I don't wanna make amends
I'll be happy with this mess
Time and time again
