REI AMI

Our mission is deception
You still haven't learned your lesson
I don't do second chances
Ask permission not forgiveness
Run and tell my friends I'm selfish
Make me out to be the villain
Do what you do best
But aren't you sick of burning bridges down?

So tell me why you're back again
Say what you mean, mean what you say
'Cause what you give is what you get
And I don't forget

You were my favorite, knew me the bestest
Talk with your mouth, see you from my perspective
Showing full of shit, ego couldn't take it
Caught you thinking that I wasn't gonna take it
Why so defensive?
I'm glad you [?] with your conscious
Look at what you lost, was it worth it?
Yeah, you really wishing

So tell me why you're back again
Said what I meant, meant what I said
'Cause what I give is what I get
Did you forget?
So tell me why you're back again
Say what you mean, mean what you say
'Cause what you give is what you get
And I don't forget
Damn
