I need space, hold me down, give me face, yeah
Life's a race, slow it down, time to waste, yeah
I wish this love shit came with a manual
I'm switching gears, control like a manual

Skrرت, now I'm gone
If I flirt then he gone
Had to work for it all
Fuck your "humbleness", I'm on, bitch
Clap, clap, clap
He give me rounds of applause
Spend these stacks, stacks, stacks
That's why he fuckin' REI AMI

Gogo Yubari, chains on me (Listen to all the shit I've said to you)
(I put it down-) That's why he fuckin' REI AMI
Gogo Yubari, chains on me

I can't make up my mind for shit triggered
Might say some shit then take it back later
Phone down, I don't wanna answer
You should get the fuck out, I forgot my manners

You don't give no fucks? Wow
Pick up all your stuff, now
My fault you can't keep up with the pace?
Boy, are you dumb? How?
Guess I got you upside down I bet
Now you gotta stress off who's my next

Skrرت, now I'm gone
If I flirt then he gone
Had to work for it all
Fuck your "humbleness", I'm on, bitch
Clap, clap, clap
He give me rounds of applause
Spend these stacks, stacks, stacks
That's why he fuckin' REI AMI
