

Hot One

REI AMI

Panic attack at the party again
Think I'm getting a bad reputation
Going on rants 'bout my shit to my friends
Now I think that they're losing their patience
Oh, my my, I'm out my mind
It happens every time that
I'm out of the house don't know how to slow down
While my thoughts keep on racing

I'm Danica Patrick
I'm batshit
But at least I look fantastic
In fact it's
Chanel
If you're asking

Chill I ain't got none but if I'm gonna be a mess I'm a hot one
Chill I ain't got none but if I'm gonna be a mess I'm a hot one
Chill I ain't got none but if I'm gonna be a mess I'm a hot one
Chill I ain't got none but if I'm gonna be a mess I'm a hot one

Blacked out again cussing out all my friends
Cause I can't find my charger,
I'm charged up
Crash out and spin then I hop out of the Benz
Looking sick as a bitch nothing happened
Yes I'm a sizzling mess
In a really cute dress
Only chill on my neck
And I got ice on my wrist
I'm a riot but I don't know why every time I be tryin' but I just

Bolt like Usain I'm insane
But I really can't complain cause my tears and my diamonds are matching

(Ooooh nooo)
Chill I ain't got none but if I'm gonna be a mess I'm a hot one
(I'm a hot one)
Chill I ain't got none but if I'm gonna be a mess I'm a hot one (ooh nahhh)
Chill I ain't got none but if I'm gonna be a mess I'm a hot one
Chill I ain't got none but if I'm gonna be a mess I'm a hot one

Two bad bitches
Gemini sun
Always two sides to the story
Pick the right one
Keep me in the dark
Now I hit em with a light gun
Now I Got him running from his feelings
Jerry Rice
Comma break
Needa light one
I'm bringing me a light one
Drama ain't my type but provide some
Mama don't play nice
Better step, son
If your gonna be a bitch be a hot one

I'm nightmare babe (I'm a nightmare babyyy)
I know I should probably (I should probably) go to therapy
Get someone to help me
But I'm in too deep
Go head I swear you can stare if you want I don't care

Yeahhhhhhhhhh

Chill I ain't got none but if I'm gonna be a mess I'm a hot one
Chill I ain't got none but if I'm gonna be a mess I'm a hot one
Chill I ain't got none but if I'm gonna be a mess I'm a hot one
Chill I ain't got none but if I'm gonna be a mess I'm a hot one
