

MAKE IT MINE

REI AMI

Got my list of goodbyes (Yeah, yeah, yeah, yeah)
Cross my heart, hope you die (Yeah, yeah, yeah, yeah)
I don't have to think twice (Nah, nah, nah, nah)
Take your peace, make it mine
Got my list of goodbyes
Cross my heart, hope you die
I don't have to think twice
Take your piece, make it mine

Open casket open bar (Yeah)
Did I take this shit too far? (Nope)
When I hit you with my car? (Oops)
Lit you up like a cigar (Tss)
Love it that you call me a bitch
Love it that you live in a ditch
Love it how good you look in stit-ches
Now you're too dead to hit this (Duh! Fuck! Ok. Does-does the h
ook come in? Wait, the hook's supposed to come back. Right here
)

Got my list of goodbyes (Yeah)
Cross my heart, hope you die (Yeah, yeah)
I don't have to think twice (Nope)
Take your peace, make it mine (Mine, mine, mine, mine)
Got my list of goodbyes (Yeah, yeah, yeah)
Cross my heart, hope you die (Yeah, yeah, yeah)
I don't have to think twice (Yeah, yeah, yeah)
Take your piece, make it mine (Bitch, bitch)

Shed you like the shower clumps
Drāno in your mouth
I'm fucking sick of the accusatory stories, sorry
Killing you was mandatory
Save all that defamatory
Shit for all the ones you never loved
I'm out!
