REI AMI

I'm a good girl, I don't talk shit  
But I'ma tell everybody what you fucking did  
I'm a wild card, your mama raised a bitch  
Wanna hear you crying when I talk my shit  
I'm a good girl, I don't talk shit  
But I'ma tell everybody what you fucking did  
I'm a wild card, your mama raised a bitch  
Wanna hear you crying when I talk my shit  
(Let me talk my-)

I might name names getting closer by the hour  
You just want the fame, I don't wanna give you power  
You're sour, bothered, you're not my fucking father  
I am not the one, so go and find another cover  
I never did you wrong, I never did you bad  
I'm gonna do it now, so you should go and tell that  
You want my attention, you want my obsession  
You should take your medicine and maybe learn a lesson

I don't want a "See you next Tuesday"  
I don't trust a single word you say  
If I tried, I could fuck your life up  
You're a fucking "See you next Tuesday"

I'm a good girl, I don't talk shit  
But I'ma tell everybody what you fucking did  
I'm a wild card, your mama raised a bitch  
Wanna hear you crying when I talk my shit  
I'm a good girl, I don't talk shit  
But I'ma tell everybody what you fucking did  
I'm a wild card, your mama raised a bitch  
Wanna hear you crying when I talk my shit

Let me talk my-  
Let me talk my-  
Let me talk my-  
Let me talk my-  
Let me talk my-

I got receipts, bitch, don't lie to me  
You wanna try, yeah, that's fine with me  
"Boys don't cry?", that's misogyny!  
I never did you wrong, I never did you bad  
I'm gonna do it now, so you should go and tell that  
You want my attention, you want my obsession  
You should take your medicine and maybe learn a lesson

I'm a good girl, I don't talk shit  
But I'ma tell everybody what you fucking did  
I'm a wild card, your mama raised a bitch  
Wanna hear you crying when I talk my shit  
I'm a good girl, I don't talk shit  
But I'ma tell everybody what you fucking did  
I'm a wild card, your mama raised a bitch  
Wanna hear you crying when I talk my shit

Let me talk my shit, shit, shit

Let me talk my shit, shit, shit  
Let me talk my shit, shit, shit  
Let me talk my shit, shit, shit  
Let me talk my shit!
