

SNOWCONE

REI AMI

Sweeter than a mother fucking snowcone
Sassy little bitch, I'm repping SOKO
Booty getting fatter, Mia Gladstone
Cotton candy drip down to my ankles

Sweeter than a mother fucking snowcone
Sassy little bitch, I'm repping SOKO
Booty getting fatter, Mia Gladstone
Cotton candy drip down to my ankles

Call your sugar daddy, 'cause he blowing up my phone
I don't need his money, bitch I get it on my own
I don't need to flex, oh honey they already know
Don't be mad at me 'cause they keep begging me for more
Bang it up, hang it up, pick it up, hit it up, on to the next one, give it up
Hop on top, then I drop you off, then I vroom vroom quick enough
And I don't say sorry, sorry I don't really want to (want to)

Sweeter than a mother fucking snowcone
Sassy little bitch, I'm repping SOKO
Booty getting fatter, Mia Gladstone
Cotton candy drip down to my ankles

A little possessive
Over-obsessive
Recklessly reckless
And I'm just a
Thrift store sweater with the holes
Cute but I need a little sew
I'm Prozac dependent
Attack when defenseless
Not such a bad bitch when I'm on my own
Thrift store sweater with the holes
Faded left sitting at home

Faded left sitting at home
