

# Keeper

Reignwolf

Late night  
It was your intention  
Got a bible to swear on well  
Not satisfied, oooh temptation  
Oh no, hold on  
Listen

I'm a keeper baby  
Honestly  
All my life, all my days, always  
(Yeah)  
I'm a keeper baby  
Honestly  
All my life, all my days, always

Survive on your footsteps  
Just a cold call away  
Hey hey yeah  
You're light, oooh blinding me  
Like a goldmine unfound

I'm a keeper baby  
Honestly  
All my life, all my days, always  
(Yeah)  
I'm a keeper baby  
Honestly  
All my life, all my days, always

I'm a keeper baby  
Honestly  
All my life, all my days, always  
(Yeah)  
I'm a keeper baby  
Honestly  
All my life, all my days, always  
I'm a keeper baby  
All my life, all my days, always
