

This Is The Time

Reignwolf

No, it's not your fault
You wanna believe
You know I've said it all
I've said it all

I still got a long way to go
[?] all these time's have changed
My heart remains the same
I won't pump the gun
What the hell we running from?
What the hell we running from?

This is the time
In all my life
I've been waiting
This the start
I cross my heart
Hey, yeah
This is the time
All my life
I've been waiting
This is the time
I stay alone

You gotta believe
It's not your fault
I want to you to see
You never get it done
You never get it done

I still got a long way to go
[?] all these time's have changed
My heart remains the same
We got a long way to go
And when we get alone

This is the time
In all my life
I've been waiting
This the start
I cross my heart
Hey, yeah
This is the time
All my life
I've been waiting
This is the time
I feel alone
I don't know why
I don't know why
