

YOU

Reiley

She wakes me up in the morning
Naked but I can't ignore the ooh
It's not you, yeah
She's at the heart of the parties
All eyes on her at the bar but ooh
It's not you

She wants, she wants, she wants, she wants
She wants, she wants, she wants, she wants
To love me, to love me, me, me
She wants, she wants, she wants, she wants
She wants, she wants me

But I want you ooh ooh ooh ooh ooh
I ooh ooh ooh ooh
I want you ooh ooh ooh ooh ooh
She wants, she wants, she wants, she wants
To ooh ooh ooh ooh ooh
I ooh ooh ooh ooh
I want you ooh ooh ooh ooh ooh
She wants, she wants, she wants to love me

And when she all on me, I'm fired up
But the only thing I'm tired of ooh
Is thinking of you, yeah
When we in deep conversation
She making me impatient, ooh
I'm missing you, ooh, yeah

She wants, she wants, she wants, she wants
She wants, she wants, she wants, she wants
To love me, to love me, me, me
She wants, she wants, she wants, she wants
She wants, she wants me

But I want you ooh ooh ooh ooh ooh
I ooh ooh ooh ooh
I want you ooh ooh ooh ooh ooh
She wants, she wants, she wants, she wants
To ooh ooh ooh ooh ooh
I ooh ooh ooh ooh
I want you ooh ooh ooh ooh ooh
She wants, she wants, she wants to love me

She wants to love me
But I gotta let her know
That I think about you too much
I'm on my own
Don't wanna end up lonely
Move out before it's too late
I gotta let it show
Been thinking about it, letting it out
Wishing that we were together, I know

She wants, she wants, she wants, she wants
She wants, she wants me

But I want you ooh ooh ooh ooh ooh
I ooh ooh ooh ooh
I want you ooh ooh ooh ooh ooh
She wants, she wants, she wants, she wants
To ooh ooh ooh ooh ooh
I ooh ooh ooh ooh
I want you ooh ooh ooh ooh ooh
She wants, she wants, she wants to love me
