

# Welcome To The Theater

ReinXeed

The great dictator singing in the rain  
And th seven psycho usual suspects silence all the lambs  
Mean Girls in the fight club will die hard when  
The Departed Gladiator with a scarface feel the Heat

Far away you see the others on the rock  
And the Time machine takes us to the abyss of the  
Mystic River, where the brave heart Frankenstein might be  
The shining helps us all to see

Welcome to the Theater we'll show you to your seat  
Look into the screen and you will see a star wars  
Against the Avatar inside the Matrix failed  
When the twilight goes away

You will get an offer, don't refuse  
In his chair the Godfather will shake his jaws  
And cast away the Unforgiven fellowship of rings!  
This is no country for old aliens with vertigo

Stay alive when you for up inside the cube  
Terminate all public enemies  
Walking down an green mile when the warriors become  
The men in black, and that's not all that you will see!

Welcome to the Theater we'll show you to tour seat  
Look into the screen and you will see a star wars  
Against the Avatar inside the Matrix failed  
When the twilight goes away

I'm gonna tell you my secret now...  
I don't see people walk around because they're dead, no!  
Gone with the wind, the ghosts are busted, haunting ends  
I have a sixth sense of what's coming next so hear me out!

Once again you hear the bridge and choirs sing (choirs sing)  
Going back into the future if I can  
But I don't have the time, when pirates comes around  
I'm gonna tell you once again!

Welcome to the Theater we'll show you to your seat  
Look into the screen and you will see a star  
Welcome to the Theater we'll show you to your seat  
Look into the screen and you will see a star wars  
Against the Avatars inside the Matrix failed  
When the twilight goes away
