

# Cat

Relient K

Grab another dirty tambourine and shake it  
Breaking out of a new cocoon  
I be licking sandpaper clean  
Good gracious  
When it comes, gonna be too soon, oh

Oh, oh, oh, oh, oh  
Oh, oh, oh, oh, oh

(Ah, ah, ah, ah, ah)  
Gonna live a long, long time  
(Ah, ah, ah, ah, ah)  
Loving every minute of it

Crawling over every little thing, don't break it  
Waking up in a new cocoon  
If you ever find a ball of string, I'll take it  
Unwind in a music loom

Oh, oh, oh, oh, oh  
Oh, oh, oh, oh, oh

Who's that crazy cat?  
He sitting in the corner with them longing eyes  
Who's that crazy cat?  
He's looking like someone dragged him in from the alleyway  
Who's that crazy cat?  
He's laughing like he's still got nine more lives  
Who's that crazy cat?  
I say, he looks a lot like me

(Ah, ah, ah, ah, ah)  
Gonna live a long, long time  
(Ah, ah, ah, ah, ah)  
Loving every minute of it  
(Ah, ah, ah, ah, ah)  
So glad you're by my side  
Gonna live a long, long time

Sitting in the corner with the lonely eyes

(Gonna live a long, long time)  
Looking like someone dragged me in from the alleyway
