Relient K

Welcome to your life, there's no turning back Even while we sle ep we will find you Acting on your best behavior Turn your back on mother nature Everybody wants to rule the world

It's my own design, it's my own remorse Help me to decide, help me make the most Of freedom and of pleasure Nothing ever lasts forever Everybody wants to rule the world

There's a room where the light won't find you Holding hands whi le the walls come tumbling down When they do I'll be right behind you

So glad we've almost made it So sad they had to fade it Everybo dy wants to rule the world

I can't stand this indecision Married with a lack of vision Eve rybody wants to rule the world

Say that you'll never, never, never, never need it One headline why believe it Everybody wants to rule the world

All for freedom and for pleasure Nothing ever lasts forever Eve rybody wants to rule the world
