

# Happy Valentines

Relient K

I found a note in a pair of boots  
Post my February oh, oh, two  
And I knew it simply had to be from you  
It was sweet and frivolous, [?] because you missed me  
(Still remember how you kissed me)  
You told me you were mine  
Yeah, those were happy valentines

Happy Valentine's day

A memory I'll never forget  
I went to see our good friend Rhett  
Laying at the borders down on the promenade  
I walked in to find your eyes  
You were so surprised  
You told me you were mine  
Yeah, those were happy valentines

Don't go my fair lady, did I chase you away?  
Don't know my sweet baby, is there something to say?  
This is all out on the table in the middle of the wild array
