

I Just Want You to Know

Relient K

I'm a human being
Being happy and sane
Oh but human beings
We all need to quit
Being inhumane

Yeah I don't wanna say I'm right
I just want you to know (2x)

I've a reputation
For replacing
My confidence with fear
But I'll be untiringly embracing
The love I've found to be sincere

Yeah I don't wanna say I'm right
I just want you to know (2x)

To know that
There was a man
Who lived one day
With holes in his hands as some do say
And I believe we'd be friends if we talked and we prayed
So we do

Yeah I don't wanna say I'm right
I just want you to know

I don't wanna say I'm right
Cause I just want you to know
