

# One Headlight

Relient K

That's when they say I lost my only friend Well they said she died  
easy of a broken heart disease As I listened through the cemetery trees

I seen the sun comin' up at the funeral at dawn The long broken  
arm of human law Now it always seemed such a waste She always  
had a pretty face So I wondered how she hung around this place

Hey, come on try a little Nothing is forever There's got to be  
something better than In the middle But me & Cinderella We put  
it all together We can drive it home With one headlight

She said it's cold It feels like Independence Day And I can't break  
away from this parade But there's got to be an opening Somewhere  
here in front of me Through this maze of ugliness and greed And I  
seen the sun up ahead At the county line bridge Sayin' all there's  
good and nothingness is dead We'll run until she's out of breath  
She ran until there's nothin' left She hit the end-it's just her  
window ledge

Hey, come on try a little Nothing is forever There's got to be  
something better than In the middle But me & Cinderella We put  
it all together We can drive it home With one headlight

Well this place is old It feels just like a beat up truck I turn  
the engine, but the engine doesn't turn Well it smells of cheap  
wine & cigarettes This place is always such a mess Sometimes  
I think I'd like to watch it burn I'm so alone, and I feel just  
like somebody else Man, I ain't changed, but I know I ain't the  
same But somewhere here in between the city walls of dyin' dreams  
I think her death it must be killin' me
