

## Softer to Me

Relient K

Where am I!? Where are you?  
There's so much time so little to do  
We're busy doing nothing cause it's vanity we prize.  
You can't see nothing cause you can't see through your eyes.  
They're covered with a film, you're blinded by yourself.  
You're the one to blame but you pretend it's someone else.

Life could you be a little softer to me.  
Life could you be more gentle to me.  
Yeah I know this is a selfish plea,  
Because Christ sacrificed his flesh  
On the cross for me  
But this world is hard,  
It's cruel and I wish it could be  
Softer to me

I'm still alive. That much is true  
I've never lied, well, I guess I've told a few.  
There's nothing to see because I brought nothing to show.  
The conversation got too deep, I shrug and tell you I' don't know.  
This life can get so hard, this world can be so cruel,  
Sometimes I fall apart I feel just like a useless tool.
