

## 4AM

Rema

So you wanna roll, huh?  
You got a look in your eyes staring right into my soul huh  
Me, no hesitate, tell you what you wanna know now  
Know how to light up the spot, know how to put on a show now  
(Manny Norté)

Girl, 4AM and I call up your phone  
Me, I just wanna say hi  
It's a lie me, I lonely tonight  
Me, I lonely tonight  
Baby, one more time  
When I call up your phone  
Me, I just wanna say hi  
Innocent when I look in your eyes  
Baby, please don't be shy  
Honey, Chanel  
Don't leave me, aigh  
Don't leave me, aigh  
Please don't leave  
Girl, you got a cold heart  
Shey you no go leave me  
Don't leave me, aigh  
Baby, don't leave me, aigh

So you wanna roll, huh?  
You got a look in your eyes, staring right into my soul, huh  
Me, no hesitate, tell you what you wanna know now  
Know how to light up the spot, know how to put on a show now  
I heard you wanna roll now?  
You got a look in your eyes, staring right into my soul, huh  
Me, no hesitate, tell you what you wanna know now  
Know how to light up the spot, know how to put on a show now

(Yo, T Wayne from the night, yo)  
Lifestyle's a movie (Movie), She love the bird that I bought (Come on)  
Louis jumper with Versace of course (Uh) for the bumper I go surfing the north  
The hotel valet parking, we're rolling so smooth, Aston Martin  
Your ex man won't stop callin' but he was popped and now you're laughing  
Are you finished with that? (Finished) Uptown dinners 'n' that  
Oh, it's up close, spinach 'n' that  
True love hurts, bust verse, hittin' it back, I ain't inna the chat, that's facts  
Give me the dream yeah (Give me the dream)  
Are you finished with me? (Are you finished with me)  
You been tellin' me you want more (Tellin' me you want more)  
Tellin' me you want more (Tellin' me you want more)

So you wanna roll, huh?  
You got that look in your eyes, staring right into my soul, huh  
Me, no hesitate, tell you what you wanna know now  
Know how to light up the spot, know how to put on a show now  
I heard you wanna roll now?  
You got that look in your eyes, staring right into my soul, huh  
Me, no hesitate, tell you what you wanna know now  
Know how to light up the spot, know how to put on a show now

All the things wey you do me, wild  
Girl, you give me peace of mind  
You dey gimme peace of mind  
Baby, you dey victimise  
You dey make me victimise  
I ain't gone say no lie  
Girl, I feel hypnotized  
Girl, I feel hypnotized

All the way that you do me, wow  
I just wanna love you, wow  
I just wanna turn you out  
Girl, I just wanna burn you out  
I just need a peace of mind a lil time  
Took you out to Lagos, now I gotta let go  
Young zone six, nigga, they know, ey  
(Young zone six, nigga, they know)
