

Fame - A COLORS ENCORE

Rema

No, no, no-no-no
Yeah, yeah, yeah-yeah-yeah
Eh, no, no, no-no-no
Yah

Shit I think I changed
Things don't feel the same
I don't wanna play no games
Since I got this fame
It's been so hard to love again
Girl your love is in vain
Now you feel ashamed
Girl you told me no because I wasn't getting paid
These hoes I can't blame
Nobody feeling my pain
I don't wanna switch my lanes
And now they think I'm going insane
Things don't feel the same
I don't wanna play no games
Since I got this fame
It's been so hard to love again

Don't ever trust nobody
Don't trust your friends
Tell me why they sendin' pictures
They wanna take your place?
Store it all on me
I know they gonna ask me where I've been
Girl I have been trying to love you
But I don't have time, I don't even text
Always on the road, I don't even rest
She staring at me because I'm looking obsessed
I don't even love back, I don't even care
Make my money, I wanna invest
She so surprised that I never had sex
Yes, and now, passing my test
Even if don't I will never confess

Shit I think I changed
Things don't feel the same
I don't wanna play no games
Since I got this fame
It's been so hard to love again
Girl your love is in vain
Now you feel shamed
Girl you told me no because I wasn't getting paid
