

Runaway

Rema

Hmm hmm hmm

Hmm hmm hmm

They know, they know, they know

They know, they know, they know

Everybody know say I fit put my life on the line

For my baby my baby my baby

Today today today today today today today

Baby ready your luggage

People no want make we dey together

So we go run run away-way

Baby run run away-way

Run run away-way

Run run away-way

They wan try take me away from you make I no see your fa-face

Run run away-way

Run run away-way

Run run away-way

Na you be my nut if you comot for my head girl I fit start to cra-crase

Hmmm

Many many men don try

But na only me fit to get her for life hmm

Many get money pass me die

But this my baby no dey collect all their bribe hmm

She carry me meet her mama

She carry me meet her papa

Make dem gimme blessing they no wan allow why

All of her friends they dey laugh

Because say she no dey follow baller

I tell her say one day I go make am

They know, they know, they know

They know, they know, they know

Everybody know say I fit put my life on the line

For my baby my baby my baby

Today today today today today today today

Baby ready your luggage

People no want make we dey together

So we go run run away-way

Baby run run away-way

Run run away-way

Run run away-way

They wan try take me away from you make I no see your fa-face

Run run away-way

Run run away-way

Run run away-way

Na you be my nut if you comot for my head girl I fit start to cra-crase

Hmmm

Your friends introduce you to so called big men

Say make you leave that small boy

Say I no get any future say I no dey man enough

They dey give you bad bad lecture

They go show you their Gucci, their Prada

They go shook you with all their designer

They go show you the way way they run am

This love they go find way to block am
They know say they no fit find love like this
Dem no fit to find love like this
I know say I meet you for street
But baby girl you no dey for the streets
Will you marry me, even though e no be diamond ring

They know, they know, they know
They know, they know, they know
Everybody know say I fit put my life on the line
For my baby my baby my baby
Today today today today today today today
Baby ready your luggage
People no want make we dey together
So we go run run away-way
Baby run run away-way
Run run away-way
Run run away-way
They wan try take me away from you make I no see your fa-face
Run run away-way
Run run away-way
Run run away-way
Na you be my nut if you comot for my head girl I fit start to cra-crase
Hmmm
