

## Day 1 Starter

Remble

Day one starter, can't no lame nigga bench me  
Call my white shooter, he shootin' shots out like Nowitzki  
Luke Kuechly, we pull up, we might just blitz 'em  
I know I'm tall lil' babe don't gas me up, I'm just like six feet  
McDonald's burgers, if I feel cheap  
Let's take it to the back, see if you real freaks  
The plan is so simple, make sure they feel me  
If you can't spend a bag then get it back nigga then you're weak  
Power ranger mode, buss down on my teeth  
White girl, give me her Miley  
Toppest of the tier, can't get on my league  
If my chili get low, get rich or dying

Remble!

Say "it's Remble" when you see me around (Tuh)  
If I see chains, I'm bringin' heaters out  
Beat a block, he looked at me like he just seen an opp  
Demon time, I brought a .40, he had a decent nine  
Dev, who are these niggas? I never seen them guys  
I got a big chop on me, I'm on demon time  
Waited for him at the door, I'm the pizza guy  
I could give him a fade, I don't need the nine  
Airbag mode it get so violent  
If my chili get low, I'm gon' keep on trying  
I can't go like a bum, my name it hold weight  
Valentine's on myself, need them Dolces
