Remble

Aha

This is Justin Credible Remix

Let's get it

I done been block to block in Crocs and socks
Bounce in the whip, cock the Glock, then drop the top
I done been block to block in Crocs and socks
Bounce in the whip, cock the Glock, then drop the top

They survive that spinnin' then they must be godly
Know a nigga pull up and serve them Percs hoppin' off a Harley
Got a hot foot, steppin' on shit light Q's
I ain't pourin' no single lines, it's threes and twos
You niggas got fully suited to pull up and lose (Laudiano)
This bitch got fully booted and said fuck all her boos
Pull up on me now, I need sloppy topsey
I only speak on what I know and, baby, I'm not that cocky
Bruh, she focused on her bills up like she Chauncey
The new coupe, the car sit low like it was a Monte
At night these Instagram hoes look just like aunties
She gon' sip the Hendog and be happy thottin'
I'ma pull up on the opps 'cause I know they plottin'
Baby asked me for some boot, I got Doc Martens
I'm on a different timing
My bitches like molly and coke, they be rock climbin'
We don't never leave the house without handy appliance
Richer than all my opps, so they made an alliance

I done been block to block in Crocs and socks
Bounce in the whip, cock the Glock, then drop the top
I done been block to block in Crocs and socks
Bounce in the whip, cock the Glock, then drop the top

I done been block to block in Crocs and socks
Bounce in the whip, cock the Glock, then drop the top
I done been block to block in Crocs and socks
Bounce in the whip, cock the Glock, then drop the top

Boat, Remble

Messed around and got richer than all my idols
Putting safes in sleeper holds like I'm Roddy Piper
Cash my money in the bank, then won all my titles
Yeah, I'm happy with my girl but I want Blac Chyna
Stepping in a new dorm, shaking hands with rivals
Heading to that blue wall 'cause you have to fight him (Laudiano)
Have the burner 'cause I heard that his jab was nicer
Smith & Wesson four-five for a forty-niner
I'm a known home-wrecker like Jerry Springer
She told me that her name was Kia, but here's the stinger
I had her squirting on the bed with my middle fingers
I hope you really don't believe that I want Blac Chyna
Murder weapons in Bikini Bottom, you not gon' find 'em
I'm finna ask you where you from and don't be lyin'
I'm not the biggest one in here, but I tote a giant
New additions to the others, let's go divide 'em
When I take the Smith & off my hip, you should go inside
You pulled up without your burner, you chose to die

You could be bouncin' out the car, but you chose to drive
It's Remble

Rolls-Royces, Maybachs, I am not drivin'
Thirty floors in the air, I am not hidin'
On the patio off drugs, start to skydiving
She said her boat was real, guess that her thighs was lyin'
Mans be hangin' with the opps, he is not ridin'
They inside full-time, so they is not dyin'
I'm not the one to be afraid if my family's behind me (Laudiano)
Chainsaws and KelTecs, uppinn' Mary J Blige-in'
Shit, I mean Lil Kimin'
Dodgin' millimeter bullets bigger than Jessica Simpson
Bitch was givin' big head like her chin Crimson
Behind her, two midgets, but her face look like a gremlin
Niggas really not rappers, they just ramblin'
I'm with Remble at the temple rehearsin' scriptures
Buy the bitch some new titties, upgrade her fixtures
Still beat up her son dad, nigga, I'm the mister

Tuh, I done been block to block in Crocs and socks
Bounce in the whip, cock the Glock, then drop the top
It's gonna be a long day if you watch the clock
You can either put your hands down or box the chop
Um, is he getting put on at the park or not?
Come on, are you really put on? Let's just stop the cap
Are you gonna get on when they start to clap?
When it falls down, you will see how they start to act

I done been block to block in Crocs and socks
Bounce in the whip, cock the Glock, then drop the top
I done been block to block in Crocs and socks
Bounce in the whip, cock the Glock, then drop the top

I done been block to block in Crocs and socks
Bounce in the whip, cock the Glock, then drop the top
I done been block to block in Crocs and socks
Bounce in the whip, cock the Glock, then drop the top
