

Pay attention to me, when I speak
A TED talk with the murderous rhyme scheme
A Wheezy out of here cookin' with Tay Keith
Think Steve Jobs with purchasing Dre Beats
Don't cry no more, mama, here look, it's a ten piece
I just want flawless diamonds, Caucasian like white people
Send him .223s and watch him go fight demons
Always keep an extra gleek, for the times that you might need i
t

2021 is the year that I see a million
I might just have some kids to play with my brother's children
I might just sign a deal with the major, what's independent?
Remember when I wasn't anything but a co-defendant
Folks yelling out, "It's Remble," they're so specific
Ever since that Drakeo cosign he flows with rivers
Michael Phelps in unison with controlled swimmers
I seen people robbed at parties, the coldest strippers
But hold on, wait a minute, y'all thought I was finished?
Killin' any opp and plus the ones that's hangin' with 'em
Rearrange a fitted, a bakery of biscuits (Laudiano)
K's and pistols with extensions, we are not exchanging mittens
You're about to witness Floyd Mayweather with good penmanship
Double entendres mixed with Glocks, it's ridiculous
If I get a Grammy, I'm Kanye West, I'll take a piss on it
I had a problem, then bought a chop, and put a stick on it
He had a problem, I put my Glock away and spit on him
Killing is common, it's just so sad his kids depend on him
We seen his chain and it was just swinging like a pendulum
I'm snatching his chain, and I'm scaring people out their Timbe
rlands
Stripped him for everything, then we Men In Blacked his memorie
s
The way we just did him, his friends will wonder what he did to
me
We really have everything, from the cash to the artilleries
My opps turn to fans, it's like they don't even plan on killing
me
It's Remble, thanks for having me

People may attack you, criticize you, or ignore you
They can crumple you up with their words
Spit you out, or even walk all over you
But remember
Whatever they do or say
You will always keep your value
Thank you
Thank you
