

# Burn Bright

Remedy Drive

## Verse 1

They tried to brand your skin  
They tried to take your name  
You faced the whirl-wind  
You tasted toxic rain  
And you're still standing  
You got that outlawed song  
Sung under ancient skies  
It whispers in the wind  
It echoes between spires  
And you're still standing

## Chorus

Sing out  
Burn bright  
Oh-oh-oh-oh-oh  
Oh-oh-oh-oh-oh  
Stand strong  
Hold tight  
Oh-oh-oh-oh-oh  
Oh-oh-oh-oh-oh  
You're in the company of the keepers of the flame  
Burn bright again

## Verse 2

You got that fire  
Inside your eyes  
You've felt the lighting strike  
You've seen behind the skies  
And you're still standing

## Chorus

Sing out  
Burn bright  
Oh-oh-oh-oh-oh  
Oh-oh-oh-oh-oh  
Stand strong  
Hold tight  
Oh-oh-oh-oh-oh  
Oh-oh-oh-oh-oh  
You're in the company of the keepers of the flame  
Burn bright again
