Everything's shut down, yeah and
I don't have friends anymore
Everything's so cloudy, yeah and
I don't have feelings
I fit my family dynamics
Like a Red Hot Chili Pepper
I love my family intrinsically
Like Anthony Kiedis

Yeah, everything's so whack
When I turn my back my life shuts down
Everything's so rowdy, yeah
Now I don't have feelings
I'm doing on-and-off pilates
Like a middle-aged soccer mommy
I'm making donuts with my body
And talking with Jesus

Na na na, Na na na, Na na na, Na na na, Na na na na
Na na na, Na na na, Na na na, Na na na, Na na na na
Na na na, Na na na, Na na na, Na na na, Na na na na
Na na na, Na na na, Na na na, Na na na, Na na na na

Put my mind at ease, oh please
I'm begging' make it stop
My chemistry uneven
Like that cherry top
My trapeze swinging sideways, sideways
'Cause I get what I want and it cost me a lot
Put my head in the hole of a guillotine chop

Nothing feels like a dream
But I could be your dream girl
Nothing feels as it seems
But we can make a dream world
Kill you with kindness, I kill you with time
I'll wiggle my way up inside of your mind
I'm that girl, you know
I'm that girl

Na na na, Na na na, Na na na, Na na na, Na na na na
Na na na, Na na na, Na na na, Na na na, Na na na na
Na na na, Na na na, Na na na, Na na na, Na na na na
Na na na, Na na na, Na na na, Na na na, Na na na na

Everything's shut down, yeah and
I don't have friends anymore
Everything's so cloudy, yeah and
I don't have feelings
I fit my family dynamics
Like a Red Hot Chili Pepper
I love my family intrinsically
Like Anthony Kiedis
