Bad Behavior

Remi Wolf

Lately I've been in my head
On my mind- once again
Too much time in my bed

I've been lonely, I admit
Wanna breathe, wanna sweat
I can sleep when I'm dead

No way I'm tryna feel this
We change just like the seasons
New phase, don't need a reason
Why why, yeah

Okay, pull up to the function
Its my way: I came here with no one
But I came to cause a commotion
Okay okay okay

Hey yuh yuh
Hey yuh yuh
Hey yuh yuh yuh
It's just bad behavior

Hey yuh yuh
Hey yuh yuh
Hey yuh yuh yuh
It's just bad behavior
It's just bad behavior

You can make a mess of me
Let's play catch and release
Take it back and repeat

Baby keep distracting me
Keep my thoughts out of reach
Take my hand when you leave

Cause there's...

No way I'm tryna feel this
We change just like the seasons
New phase, don't need a reason
Why why, yeah

Okay, pull up to the function
Its my way: came here with no one
But I came to cause a commotion
Okay okay okay

Hey yuh yuh
Hey yuh yuh
Hey yuh yuh yuh
It's just bad behavior

Hey yuh yuh
Hey yuh yuh
Hey yuh yuh yuh

It's just bad behavior
It's just bad behavior
It's just bad behavior
It's just bad behavior
