

# Doctor

Remi Wolf

I'd literally pee outside for you  
On Hollywood Boulevard  
I would literally die for you  
Cause you broke down my heart

I'll melt your eyes out their sockets  
Take a look at the puddle on the floor  
Well, it's as black as a tar pit  
And you don't know what you're fighting for anymore

I'm getting used  
I'm paying my dues  
I'm fighting for you  
I'm making excuses

I don't wanna be your doctor  
You got too much pride  
You're spitting out lies  
And you hover like an eastbound chopper  
I'll loosen up ties  
Push you to the side  
Tear down the foundation of a playhouse and you're locked out  
Stuck up in a penthouse with your tough nuts and your dick out  
I don't wanna be your doctor  
You ain't my patient  
Shit's overrated

I'm literally getting high for you  
In the neighbors garage  
I would literally die for you  
Cause you hold down my heart

And you're always hella mad, my friend  
You always got me trying to defend myself  
Lined up like a child again  
Am I right or wrong?  
Can't tell if I... if I  
I'm getting used  
I'm paying my dues  
I'm fighting for you  
I'm making excuses

I don't wanna be your doctor  
You got too much pride  
You're spitting out lies  
And you hover like an eastbound chopper  
I'll loosen up ties  
Push you to the side  
Tear down the foundation of a playhouse and you're locked out  
Stuck up in a penthouse with your tough nuts and your dick out  
I don't wanna be your doctor  
You ain't my patient  
Shit's overrated

If you say jump, I'll jump  
We'll blame it on human behavior  
Don't ever meet me for lunch

You blame it on mother nature  
You're always beating on my drum  
You're always poking my side  
You're always telling me something  
Don't know if you're telling me lies  
So if I don't get what I want  
You know that...

I don't wanna be your doctor  
You got too much pride  
You're spitting out lies  
And you hover like an eastbound chopper  
I'll loosen up ties  
Push you to the side and  
Tear down the foundation of a playhouse and you're locked put  
Stuck up in a penthouse with your tough nuts and your dick out and  
I don't wanna be your doctor  
You ain't my patient  
Shit's overrated
