Front Tooth

Remi Wolf

I saw Peanut Butter Wolf at the show
House on escrow, getting a taste for the relevant
Running 'round town in the know
Voice memos, high five drives bumping my best friend shit
But it don't feel like, like it's supposed to
Yeah, this still feels like a Conor McGregor fight
Kicking out my front tooth

Wish I was lovey-ovey-ovey want that true mother feel
But I keep hatin'-atin'-atin' like Cruella de Vil
I want a lovey-ovey-ovey, I just want to feel real
So I lay down in the shower, let the water wake my body up
Wake my body up
Wake my body up
Wake my body up

You're the air I need
You're the love I breathe
You're the bed I sleep in
You're a garden gnome
You're a fire hose
Yeah, you're out of control
You're my dolphin lover
So someone please riddle me why

This still don't feel like quite like it's supposed to
Yeah, this still feels like a Conor McGregor fight
Kicking out my front tooth
Wish I was lovey-ovey-ovey want that true mother feel
But I keep hatin'-atin'-atin' like Cruella de Vil
I want a lovey-ovey-ovey, I just want to feel real
So I lay down in the shower, let the water wake my body up
Wake my body up
Wake my body up
Wake my body up
Please, please, wake it up!
