

Locomotive love turning me on  
It's a slowing forward motion  
I pay two dollars just to ride the bus  
And my baby she's rich  
That bitch do anything she pleases

I don't wanna write too much  
I don't wanna do too much  
Cause I don't wanna miss your touch  
And I don't wanna fuck this up

Well I don't wanna write too much  
I don't wanna do too much  
Cause I don't wanna miss your touch  
And I don't wanna fuck this up

But I love her so

I hate it you when you walk out the door  
My hearts on the bottom of the ocean floor  
But you're so unpredictable  
I don't know if you'll ever come back home  
And if you do, you won't be alone  
Arm and arm with another girl  
But you're so unpredictable  
I don't know with you ever

Don't wanna write too much  
I don't wanna do too much  
Cause I don't wanna miss your touch  
And I don't wanna fuck this up

Don't wanna write too much  
I don't wanna do too much  
Cause I don't wanna miss your touch  
And I don't wanna fuck this up

I'd rather die  
Oooh  
Than to live without you  
I'd rather die oooh  
Than to live without you
