Memorize what I can't find in you  
Memorize what I can't find in you  
Memorize what I can't find...

When I'm fresh out of ideas again  
And the lost dog out the window finds its home  
I let the smog roll over my mind  
Walk around tying up my loose ends  
I memorize what I can't say out loud  
What will make you uncomfortable  
Let's take off both of our crowns and  
Surrender this battle

You make sure I'm level like a pile of laundry  
Like the paintings on my wall  
Like the scattered light rays  
Like the branches in the fall  
Like the leaves and the breeze and waterfalls  
The birds and the bees and making love  
Making love
