

# Soup

Remi Wolf

Stay, stick around  
Please don't get into your car  
If the plane's on the ground  
It can never really get that far

I can't help but make it 'bout me  
Oh, when you and I are together  
Now I'm cleaning up the dirt on my feet  
And I'm hoping that I'm getting better

Until I'm  
Doing business on the top of the roof  
They told me to leave, but I don't want to leave without you  
You're so patient with the animals too  
If you gave me the keys, I'll go and pick up the soup  
Oh, oh, I don't wanna live without you  
Oh, oh, I don't wanna live without-

Lay like a dog  
As I wait for your arrival  
Play fetch in the yard  
As a means of my survival

I can't help but make it 'bout me  
Oh, when you and I are together  
Now I'm brushing off the blood on my teeth  
And I'm hoping that I'm getting better

Until I'm  
Doing business on the top of the roof  
They told me to leave, but I don't want to leave without you  
You're so patient with the animals too  
If you gave me the keys, I'll go and pick up the soup  
Oh, oh, I don't wanna live without you  
Oh, oh, I don't wanna live without you

I could never do what you wanted, baby  
Now our love just wants to divide us lately  
I can never do what you wanted, baby  
Now our love just wants to divide us lately  
Na, na-na-na-na-na-na-na, na-na  
Na, na-na-na-na-na-na-na, na-na  
Na, na-na-na-na-na-na-na, na-na  
Na, na-na-na-na-na-na-na, na-na

Doing business on the top of the roof  
They told me to leave, but I don't want to leave without you  
You're so patient with the animals too  
If you gave me the keys, I'll go and pick up the soup  
Oh, oh, I don't wanna live without you  
Oh, oh, I don't wanna live without-
