

Wave

Remi Wolf

Airport, shoes off, no friends, he kept me going
There goes cigarettes, sunglasses, fancy store
I'ma buy my baby a perfume for his birthday
But all I really wish that I could do is give him company, yeah

Wondering I've been small towns you've never been before
I came to find you in your sleep and I would stand for
I'ma buy my baby a perfume for his birthday
But all I really wish that I could do is give him company, yeah

I'll ride this like a wave
I'll ride this all the way to the shore
Don't know how to behave
When my little love ain't at my door
When all odds are filling the spaces
I take him and ancient silence
All I could do is sigh in silence

I'll ride him, ride just like a wave
Oh-ooh
I'll ride him, ride just like a wave
Oh-ooh
I'll ride him, ride just like a wave

Kayaks, IDs, phone sex, graffiti porn
You said you miss me but I swear I miss you more
My baby's gonna buy me a big boat for my birthday (My baby's gonna buy me)
But all I really wish he would do is keep me company (Keep me company)
Oh, God, I forgot, long distance, what a bitch
Listening to Timberlake without you, it doesn't scratch the same itch
My baby's gonna buy me a big boat for my birthday (My baby's gonna buy me)
But all I wish he would do is keep me company (Keep me company)

I'll ride this like a wave
I'll ride this all the way to the shore
Don't know how to behave
When my little love ain't at my door
When all odds are filling the spaces
I take him and ancient silence
All I could do is sigh in silence

I'll ride him, ride just like a wave
Oh-ooh
I'll ride him, ride just like a wave
Oh-ooh
I'll ride him, ride just like a wave
Oh-ooh
I'll ride him, ride just like a wave
Oh-ooh
I'll ride him, ride just like a wave

Oh-ooh
Oh-ooh

If I get too fucked up
If I get drunk all night
Will you still love me?

Will you still love me?
