

## Behind It

REMMI

Give me something I can throw my ass into  
Give me something I can throw my ass into easy  
I'll be delighted if I could throw it back behind it  
Give me something I can throw my ass into please

Oh, this is probably something you've never done before  
This is probably something you don't know what to do with  
But you don't have to freak out, 'cause we're about to freak out  
Take my hand, I'll take you to the drop

Show me what you got 'cause I love it  
Show me what you got 'cause I love it  
Show me what you got 'cause I love it  
Show me what you got 'cause I love it

Rock to the, rock to the, rock to the beat, yeah  
Rock to the, rock to the, rock to the beat  
Rock to the, rock to the, rock to the beat, yeah  
Rock to the, rock to the, rock to the beat

I'll give you something you can throw your ass into  
I'll give you something you can throw your ass into easy  
I will be delighted to see you throwing it back my way  
I'll give you something you can throw your ass into okay

Easy for ya  
Easy for ya  
I'll make it easy for ya  
I'll make it easy for ya, for ya, for ya

Show me what you got 'cause I love it  
Show me what you got 'cause I love it
