

# Champagne Supernova

REMMI

How many special people change  
How many lives are living strange  
Where were you while we were getting high?  
Slowly walking down the halls  
Faster than a cannon ball  
Where were you while we were getting high?

Some day you will find me  
Caught beneath the landslide  
In a champagne supernova in the sky  
Some day you will find me  
Caught beneath the landslide  
In a champagne supernova  
A champagne supernova in the sky  
In a champagne supernova  
A champagne supernova

Wake up the dawn and ask her why  
A dreamer dreams she never dies  
Wipe that tear away now from your eye  
Slowly walking down the hall  
Faster than a cannon ball  
Where were you while we were getting high?

Some day you will find me  
Caught beneath the landslide  
In a champagne supernova in the sky  
Some day you will find me  
Caught beneath the landslide  
In a champagne supernova  
A champagne supernova in the sky  
In a champagne supernova  
A champagne supernova in the sky
