

Take that Gucci and stick it up your aaaa
Stick it up your aaaa (take that, take that)
Take that Gucci and stick it up your aaaa
Stick it up your aaaa (take that, take that)

So I realized that I was getting brainwashed
Every time I opened up my eyelids
It didn't make a difference what I did
Til I decided to brainwash myself (aha!)

You are my best friend
I say to myself
Bitch you're doing wonderful, really
Stop comparing yourself
Take it easy
I'm so glad, I brainwash myself

Everybody down here with me
What we're trying to do is get free
Free as we can possibly be
What we're trying to do is get free

Take that Gucci and stick it up your aaaa
Stick it up your aaaa (take that, take that)
Take that Gucci and stick it up your aaaa
Stick it up your aaaa (take that, take that)

I highly recommend it
Enjoy it with a friend that
Likes to play pretend
You can be Barbie they be Kenneth
It's easy you've been doing it
Since you was a kid
Making masterpieces
Stick it on the fridge (aww)

Everybody down here with me
What we're trying to do is get free
Free as we can possibly be
What we're trying to do is get free

Take that Gucci and stick it up your aaaa
Stick it up your aaaa (take that, take that)
Take that Gucci and stick it up your aaaa
Stick it up your aaaa (take that, take that)
