

Headgame

REMMI

I know how to make you feel we're alright
I know how to turn you from the inside
Wrapped around my finger like a dumb kid
That's why you always crumble like a biscuit

Ooh, ooh, ooh, yeah
Ooh, ooh, ooh, yeah

I'm messing with your head game
Kinda getting off on it
Kinda getting off on it
I'm messing with your head game
Kinda getting off on it
Kinda getting off on it

I'm getting off
Yeah yeah yeah yeah
Yeah yeah yeah yeah
(Yeah yeah yeah yeah)
I'm getting off
Yeah yeah yeah yeah
Yeah yeah yeah yeah

I know how to get underneath your skin
Trick you into thinking I'm the victim
Got you on your knees with apologies
Now how you gonna make it up to me

Ooh, ooh, ooh, yeah
Ooh, ooh, ooh, yeah

I'm messing with your head game
Kinda getting off on it
Kinda getting off on it
I'm messing with your head game
Kinda getting off on it
Kinda getting off on it

I'm getting off
Yeah yeah yeah yeah
Yeah yeah yeah yeah
(Yeah yeah yeah yeah)
I'm getting off
Yeah yeah yeah yeah
Yeah yeah yeah yeah
Kinda getting off...
