

# Lovers

REMMI

I've been thinking about you  
And everything that we've been through  
And I decided  
I don't want to be friends no more  
And no, I'm not confused

I wanna take a risk on your lips  
Oh, bestie, can I?  
On your lips, oh, bestie, can I?  
On your lips, oh, bestie, can I?

I wanna take a risk on your lips  
Oh, bestie, can I?  
On your lips, oh, bestie, can I?  
On your lips, oh, bestie, can I?

Let's be lovers, let's be lovers  
Don't wanna make a mess of the rest of us  
But I think the best is ahead of us  
So let's be lovers, let's be lovers  
Let's be lovers

I've been thinking about you  
And how I don't wanna lose you  
But I can't hide it  
I don't want to be friends no more  
I can't believe that I want to  
I can't believe I'm about to

Take a risk on your lips  
Oh, bestie, can I?  
On your lips, oh, bestie, can I?  
On your lips, oh, bestie, can I?

I wanna take a risk on your lips  
Oh, bestie, can I?  
On your lips, oh, bestie, can I?  
On your lips, oh, bestie, can I?

Let's be lovers, let's be lovers  
Don't wanna make a mess of the rest of us  
But I think the best is ahead of us  
So let's be lovers, let's be lovers  
Let's be lovers

I don't wanna sleep without you  
Nine to the five day dream about you  
Now I see so clearly, there's no one else  
I don't wanna sleep without you

Nine to the five day dream about you  
Now I see so clearly, there's no one else  
Let's be lovers, let's be lovers

Don't wanna make a mess of the rest of us  
But I think the best is ahead of us  
So let's be lovers
